Sub. : Export of 'Restricted' products by SEZ units under jurisdiction of Noida SEZ - reg.

Attention is invited to the minutes of Approval Committee meeting of Moradabad SEZ held on 09.03.2023 wherein the agenda was taken up for the sake of providing clarity regarding export of products restricted under the Foreign Trade Policy (FTP). It has been noted that relevant provisions under SEZ Rules are as under :

Rule 18(3) : *The proposal shall also fulfill the following sector specific requirements, namely:-*

[(a) export of the goods from Special Economic Zones shall be subject to export policy in force, as provided in Schedule 2 to the Indian Trade Classification (Harmonised System) of Export and Import Items, 2017;]

Rule 26 : *General Conditions of Import and Export:- A unit may export goods and services, including agro-products, partly processed goods, sub-assemblies, components, by-products, rejects, waste or scrap except prohibited items of exports indicated in the Import Trade Control (Harmonized System) Classifications of Export and Import items:*

2. After detailed discussion, Approval Committee was of the view that **"Any product which is 'Restricted' for exports under the FTP, the Unit shall obtain an 'Export License' from the office of DGFT for that specific product before exporting."**

3. In view of the above, it is brought to the notice of all the SEZ units that the units under jurisdiction of Noida SEZ must comply with the provisions of Rule 18(3) read with Rule 26 of SEZ Rules, 2006. For the sake of clarity, all the LOAs issued would have this as one of the general conditions.

This issues with approval of competent authority, NSEZ, Noida.

Yours faithfully,

(Nitin Gupta)
